Shuart Associates has been using Hap Hoekwater & Sons Excavation for over 25 years in our business of both new home construction and renovation. Their company has been a great pleasure to work with and we have relied on them exclusively for all our excavation needs. They are dependable, timely, and have the highest degree of integrity. We have worked together on many challenging and unique projects and their suggestions and expertise has been invaluable. We highly recommend Hoekwater excavation for any project, large or small.
